# Message of Welcome

## Chairman – SA Masters Squash

Welcome to all Masters provincial players taking part in the historic twentieth SA Masters Squash doubles IPT being hosted by KwaZulu Natal Masters, in Durban, for the third time.

This event was conceptualised by Border Masters for the very first SA Masters Doubles IPT held in East London in November 2004. The initial entry of 180 players paved the way for the creation of this annual IPT which has provided the impetus for doubles squash growth in South Africa ever since. Just before the COVID pandemic hit the world, the attendance had reached 450 players in November 2019.

Our friends from Zimbabwe have supported the SAM doubles IPT from the very first tournament – we welcome their joining us once again!

Our thanks go to the KwaZulu Natal Masters organising committee, convened by Glynnis Parker, for their planning and organising of what will be one the most enjoyable tournaments on the Master's squash calendar.

To those players taking part in their first SAM doubles IPT, we trust that this will be the first of many tournaments to come.

Please remember that protective eyewear is compulsory – no wear, no play!  
This is a World Squash rule for doubles and is a Squash SA mandatory requirement.  
Please be proactive and contribute your share to the marking and refereeing duties.

Enjoy the experience of taking part in the SA Masters doubles – make the most of your visit to sunny Durban, and all the amenities on offer.

This will be another memorable tournament!

Ian Paterson  
Chairman  
SA Masters Squash

## Message of Welcome

It is with immense pride and joy that KZN Masters has the privilege of hosting the 20<sup>th</sup> Anniversary of Masters IPT Doubles in South Africa. Our vision was to celebrate all Masters players by giving you a tournament to remember and speak about for years to come.

The KZN motto has always been 'play hard, party hard'. We have endeavoured to spoil our players from across South Africa and Zimbabwe in every way; from spectacular goody bags to functions, DJs, Chiro, club facilities, food, prizes, lucky draws, shirts & sponsors, ... the list goes on and on...

We celebrate this auspicious year, which marks 2 decades of Masters doubles IPT in SA. We salute those players who have participated in all 20 tournaments. You have set the bar extremely high.

We could not do this without the support of our local clubs. To Westville Country Club, Gillitts, Kloof, Chiltern, Toti, New Germany, Northwood Crusaders & Durban Country Club, thank you for pulling out the stops to give our players a warm Durban welcome. We appreciate you and your ongoing commitment to squash in KZN.

A huge thank you to our sponsors who have made all the spoiling possible. Please return the favour and enthusiastically support them. A special thanks to Paul Gossman who has captured our vision so successfully in his graphics.

To our tournament players visiting our beautiful City, thank you for gracing us with your presence. May you enjoy your time both on and off the court.

To my committee, Shane, Chris, Grant, Clint, Greg and John, you guys are next level -nothing has been too hard for you. Your sacrifices of time and energy have been immense. You have taken our vision and made it a reality. Thank you for all you do for KZN Masters and the extended Masters Community.

For the Love of Squash

Glynnis Parker  
KZN Masters Chairlady

# Tournament Rules

1. Current World Doubles rules apply with exceptions as stated below.
2. **SCORING:** 3 games to be played. 1 point per game won and 1 bonus point to the pair winning the match. Men's Sections 1-3 and Mixed Section 1 PAR to 11, no setting, sudden death at 10 all. ALL other sections PAR to 15, no setting, sudden death at 14 all. Unless specifically agreed otherwise, at least one member of the pairings on completion of their match is required to mark/ referee the following match. Failure of a pairing to mark / referee when required to do so will result in the deduction of a point (penalty) from their final score.
3. **PLAYER HIT BY THE BALL:** A stroke shall be awarded to any player who gets hit by a ball that is stuck directly towards the front wall. A let shall be played if a player is hit by a ball not struck directly to the front wall i.e. a boast. Should the ball strike a racquet and not the player directly, a let shall be played in all instances.
4. **ORDER OF PLAY:** The order of play, as per fixture list, shall be adhered to. Any team not ready to play within 10 minutes of the previous match will forfeit that match.
5. **PROTECTIVE WEAR:** Protective wear must be worn at ALL times. Markers and Referees must not officiate if ANY player is not wearing suitable eye protection. The offending pair will forfeit their matches until such time as they comply.
6. **THE SERVICE (Rule 4):** Before the match begins, each team must announce the order in which the partners will serve, which must remain the same throughout the match. Also, at the start of the match, the teams must announce from which side each partner will receive service for that game. The teams are allowed to change the receiving side of the partners at the start of each subsequent game and must announce any change to the opposing team (and officials) prior to the start of the game. Play commences with a service. The team to serve first is decided by the spin of a racket. The nominated first server from the team winning the spin of the racket serves first, serving until a rally is lost. Then the serving team becomes the receiving team ("hand out"). The nominated first server from the other team now serves, and retains service until that team loses a rally. The process is then repeated for the second servers from each team. The team who wins the preceding game serves first in the next game. At the beginning of each game and when the service changes from one side to the other, the serving team can serve from either service box. After winning a rally the server must then continue serving from the alternate box.

**7. SCORE SHEETS:** Score sheets will be placed at each court at each venue prior to the start of play. Each pairing will be responsible for ensuring that it is fully completed at the end of each match. Match is decided on games, plus a bonus point for winning.

**8. INJURY TO A PLAYER:** If there is a change of partner due to injury, these scores will not count for that section's match results.

**9. LET CALLS:** Where one player of a pairing calls for a let, then that call takes priority over play continuing, first call takes precedence.

**10. PROVINCIAL ELIGIBILITY:** This tournament is an official SA Masters interprovincial hence points from invitation pairings (injuries etc.) will not count. All participating players must represent the Masters province to whom they are registered. Masters Squash has an entry age of 35 for men and 30 for women. No underage players are allowed to participate in SA Masters events. SA Masters Squash reserves the right to make exceptions arising from circumstances, particularly if this is in the interest of the tournament. Squash SA rules state that a player may only represent one province in a calendar year, unless a formal transfer form is completed and signed off by the chairmen of both provinces involved. A minimum of 4 pairings is necessary to qualify for the Kat Leisure Trophy awarded to the SA Masters Doubles IPT winning province.

**11. STROKE AWARDED:** The stroke rule is also applicable where a ball is hit by a player which then passes back very close to the body of that player, with an opponent in position to play the shot, as agreed upon at the Masters Meeting held in Johannesburg in November 2013. **This stroke rule will not be in force for this tournament.**
